Department Of Computer Engineering

-----------------------Our Vision is--------------------------

To strive for excellence in the field of Computer Engineering and Research through Creative Problem Solving related to societal needs

----------------------------Our Mission is------------------------

Establish sound technical knowledge among the students along with analytical thinking, conceptual knowledge, social awareness and expertise in latest tools & technologies to serve industrial demands.

Prepared By: Mrs. Anuja T. Bhondve(Computer Engineering Department)

Contents...

1. DATA ANALYTICS
2. HOURS OF CODE
3. INDUSTRIAL VISIT
4. JAPANESE SESSION
5. SESSION ON RESUME WRITING

Data Analytics using Python

Department of Computer Engineering, PCCOER organized three day Four day workshop on "Data Analytics using Python" on **from 28th Jan 20 to 31st Jan 2020** for SE students.

Expert Lecture was coordinated by Prof. Madhuri Badole, PCCOER, and Pune.

Total **73** students attended the Workshop.

Mr. Tushar Kute was guest speaker for the Session

Objective of the Event:

Provide the knowledge of Data Analytics using Python as Python programming is intended for software engineers, system analysts, and program managers.

Hours of Code

Industrial Visit

Department of Computer Engineering, PCCOER organized Industrial visit "**3rd Edition of Asia's Largest Science and Technology Festival –TechFest 2019-20**, IIT Bombay on **3rd Jan 2020** for TE students

Industrial Visit was coordinated by Prof. Anuja Bhondve, PCCOER, and Pune.

Through this visit:

1) Students got the project ideas from various project exhibitions in R&D departments of IIT Bombay.

2) Through new technological projects student got an idea about the current market trends in industries.

3) Students got an idea about which factors are to be taken into consideration when choosing to get into entrepreneurship, how to conduct the market research in your preferred fields.

Japanese session

On Thursday, 9th January 2020, Japanese Company OYC (Oriental Yeast India Ltd.) Visited to PCCOER

Rena Soumaya san and Aishwrya Mate (OYC HR and Admin Department)) was the guest speaker for the Session. There were a total of **7** students from computer department participated in Workshop.

Objective of the Event:

1) Importance about Japanese Language.
2) What is OYC in Japan and In India?
3) What is Opportunities in OYC for Indian Students?

Session On Resume Writing

Department of Computer Engineering, PCCOER organized session on "Resume Writing" on **07th Jan 2020** for TE students.

BE Students Ashish Salunke, Shreyash Pimpalshende, Barsha Koley was the speaker for the session.

Objectives of the session:
